

Worldwide leaders in public and management accounting

You are cordially invited to attend and support:

2019 AICPA Women's Global Leadership Summit

Nov. 6–8 | San Diego, CA, or live online

Supporter levels

Demonstrate your organization's commitment to D&I initiatives.

Join women leaders, aspiring leaders and male colleagues building a more inclusive and successful workplace. Our summit is your opportunity to focus on leadership topics, boardroom diversity and best practices that enhance the skills and potential of women leaders within the financial community.

The Supporter levels allow your organization to send multiple registrants and show your support for diversity and inclusion within the profession. Take advantage of these special rates today!

Please contact conference group sales at groupconference@aicpa-cima.com for more information or to purchase a supportership today.
